We opened scott & co in early October 2010
with the mission of creating a cozy spot
to enjoy the best cocktails in the southwest.

We hope you enjoy your experience here with us
and thank you for being our guest.

Nicole Flowers & Travis Reese
Owners

Ciaran Wiese
Beverage Manager

Our syrups and infusions are made in house
by our staff of bartenders.
The juices on our menu are all fresh squeezed.

Please be patient as each cocktail
takes a few moments to create.
